STATINTL

NTL 2. Informed [REDACTED] that this office had no feeling in connection with this section, and that the power was inherent in the Director as head of the agency to make these appointments subject to existing laws.

3. Talked with Mr. Sidney Buford, State Department liaison to CIG, re hearings. Mr. Buford expressed some concern as to testimony regarding relationship between the research work done by ORE and the State Department. Assured him that General Vandenberg would convey the point adequately, explaining the necessity for the State Department's having its own departmental research shop. Undertook to supply Mr. Buford with those questions asked by the Committee which would affect the State Department's testimony.
